gpsrescue@gmail.com

Note 1: This certificate may be required for insurance purposes. The recipient of this certificate might rely on the certificate as evidence of installation and/or inspection. Liability could arise on the part of any organisation or person that issues a certificate without due care in ensuring its validity.

Note 2: At installation and/or inspection the system was found to be in proper working order. However it is highly recommended that the user communicates with GPS tracking system at least once monthly to ensure continued functionality.

Note 3: User is expected to maintain available credit on GPS tracking system for SMS and/or GPRS communication.

Note 4: This certificate is valid for a limited period, upon expiry it is recommended that a full inspection of the GPS tracking system be undertaken and a certificate for the new period be issued.

Note 5: GPS Rescue Ltd. will provide to its clients stolen vehicle recovery service as long as the installed GPS System remains active and maintained by the client. GPS Rescue Ltd. and/or any of its agents would locate and retrieve the said vehicle free of charge after an official report is made to the Trinidad and Tobago Police Service stating the said vehicle has been stolen.
